**Vice President's report**

Tony Reports no reply yet received from the RAAF on the use of land for motorkhanas and autocrosses and does not expect any news until next year. Tony thanked for his efforts in organising our Club's display at the Motorshow; the display attracted a lot of potential new members.

**Social Director's Report**

Discussion on the Club's Christmas Party, the date decided upon was the 30th of November. It is to be held at Ken Longs residence at 3 Bultarra Crescent, Kirwan with food provided and drinks will be on sale to assist our club's finances.

Childrens Christmas party will be held on the 8th of December and will be a barbeque at a park - actual venue to be advised - watch notice boards.

The fishing trip/campout planned for the 8th of December has been postponed at this stage and is likely to now be held in February.

Warren advised us that the proceeds from the club's tennis night had been stolen from the Secretary's briefcase in their vehicle, sometime between Tuesday night and the meeting. Warren and Val were instructed to advise the police of the details so that they may investigate and hopefully recover our funds.

**Club Captain's Report**

Grant advised that it appeared that land would be available for our Club's use at Serene Valley for Autocrosses next year.

### **President's Report**

The trip by member's to Brisbane for the Rally Director's Forum was discussed. The possibility of our Club holding a QRC event next year was discussed, however the high cost of 1 second timing may prove to be prohibitive and the view was put forward to us during our trip to Brisbane that not many Brisbane car's would venture up to Townsville for an event timed to only the quarter minute. Geoff advised us that Rod Browning had indicated that he would be willing to fly up to Townsville to course check for us if need be. The feeling of the meeting was that financial constraints would prevent us from attempting the Rally next year, however 1993 was a possibility.

### **Correspondence**

Literature was received from Frank Gardiner's driving school including costs of the courses available - see Geoff for details

Details of the Boystown home art union were received.

Letter received from Sunshine TV requesting details of our club's activities planned to be held in conjunction with the Suncorp NQ games

### **Randal Irvine's Address**

Randal advised us that land suitable for the establishment of a motorsport facility might become available at the base of the Hervey's Range road. The land is owned by the lands department and a public meeting is to be held at the Dept of Sport and Recreation office for interested parties. Randal suggested that members of our Club might be interested in attending the meeting and advised that a letter detailing our Club's general requirements of any motorsport facility which might be provided would be of assistance if it was provided prior to the meeting.

## Incorporated Association Developments

A letter dated 30/10/91 was received from the Justice Department advising that they had received our Form 9 sent by our Secretary and that we were yet to pay \$46.00 in lodgement fees and penalties. As the cheque was forwarded on the 20th of October I contacted the office and they confirmed that they had indeed received our cheque. This should finalise all matters with them for the 1990 year.

Advice was received from the Australian Taxation Office (copy circulated to meeting) confirming that our Association was exempt from Income Tax. The Commonwealth Bank has been given a copy of the letter to ensure that tax is not deducted from our account. Our account name has been changed to reflect our new name as required by the Department of Justice.

Audit of our 1991 financial year will be organised so that it is completed prior to our AGM and the necessary returns can be completed promptly by our incoming committee.

## Presidents Report

Well it's nearly the end of a good year for the Club - with a couple of rallies and heaps of social activities.

Hopefully the letter of approval for the Club's grounds will arrive during the Christmas break then we can conduct our motorkhanas and autocrosses which were missing this year.

The Adults Christmas party has been put forward to the 30<sup>th</sup> November at 7.00 p.m. and will be held at Ken Long's at 3 Bultarra Crescent, Kirwan.

I would like to thank the committee for all their hard work and an extra special thanks to all our volunteers who manned controls and helped out in other club activities.

We have planned a big year for 1992. If you would like to see your club prosper come along to the AGM in January and make yourselves available to assist any way you can.

We are looking for volunteers to direct and help in running events in the coming year - they don't have to be rallies they can be a Dayrun, a Motorkhana, an Autocross or just a Social Night (party, party).

Thanks again

Geoff Nicol.
