PRESIDENT'S REPORT

As most are aware I have been interstate for most of the previous two months and as such cannot report on events during this time.

A small contingent of competitors and spectators from our club attended the Rockhampton rally held recently with Leigh/Boxhead and Lee/Tony taking out first and second respectively. Gary/Cathy and Greg/Speedy also finished the event (placings unknown to me) Hopefully some one will write about this event for the magazine.

The Cairns rally is still on and competitors and control officials are still needed, if you can make it please let Leigh or myself know.

NOTE: Boxhead has departed for Brisbane to reside, so if you need to know what is going on I would suggest ringing the Shed rather than Richard.

See you around,

ANGIE'S MOTORKHANA
14 November 1993

As everyone knows, I directed a motorkhana and a success it was, even if I do say so myself. The day didn't start off on a positive note but when my mind was on the job I was okay. I had no idea that 20 people would turn up and enter for the event. That was great. Gee, setting up poles looks real easy when someone else does it, hey! That metre wheel thing is confusing, lucky Leigh can drive one of them. Thanks to Leigh and every one else who helped put poles and things up, it was much appreciated. As you all probably know, Basic won by a second or so and James Dean came in second.

Oh all the whining about reverses, I don't know, I thought you guys would like the challenge! (maybe not). The triple loop was not a favourite to many entrants, clearly every one stuffed that up. But I think every one enjoyed doing the crazy multiple loop. Gary proved that a couple of times.

Well, Jo-anne got first girl, if she keeps up the good form she will take off the women's club championship trophy, so keep it up Jo! It was great to have Tania Bull there participating even though she hated the dust and told us how she is spoiled down south with a canteen and toilets. We've got a canteen --- the esky and we've got toilets - the ones belonging to the go-karts --- dirty unhygienic ones!!

Well it was an exciting day and an enjoyable one as well. Thanks again to every one who helped - if I name them I will forget some one and get in trouble so THANKS every one.

I will do another one next year (early next year)
