EDITOR'S NOTES

An uncharacteristic attempt to get this issue out *early*, before Cardwell Rally, this coming weekend. For those who don't know it's on, then now you know - IT'S ON! - Sunday, September 3. Full details described in the minutes. If you haven't received Supp. Regs. yet and want to compete, then you'd better get on the phone to Goofrey or Heckler.

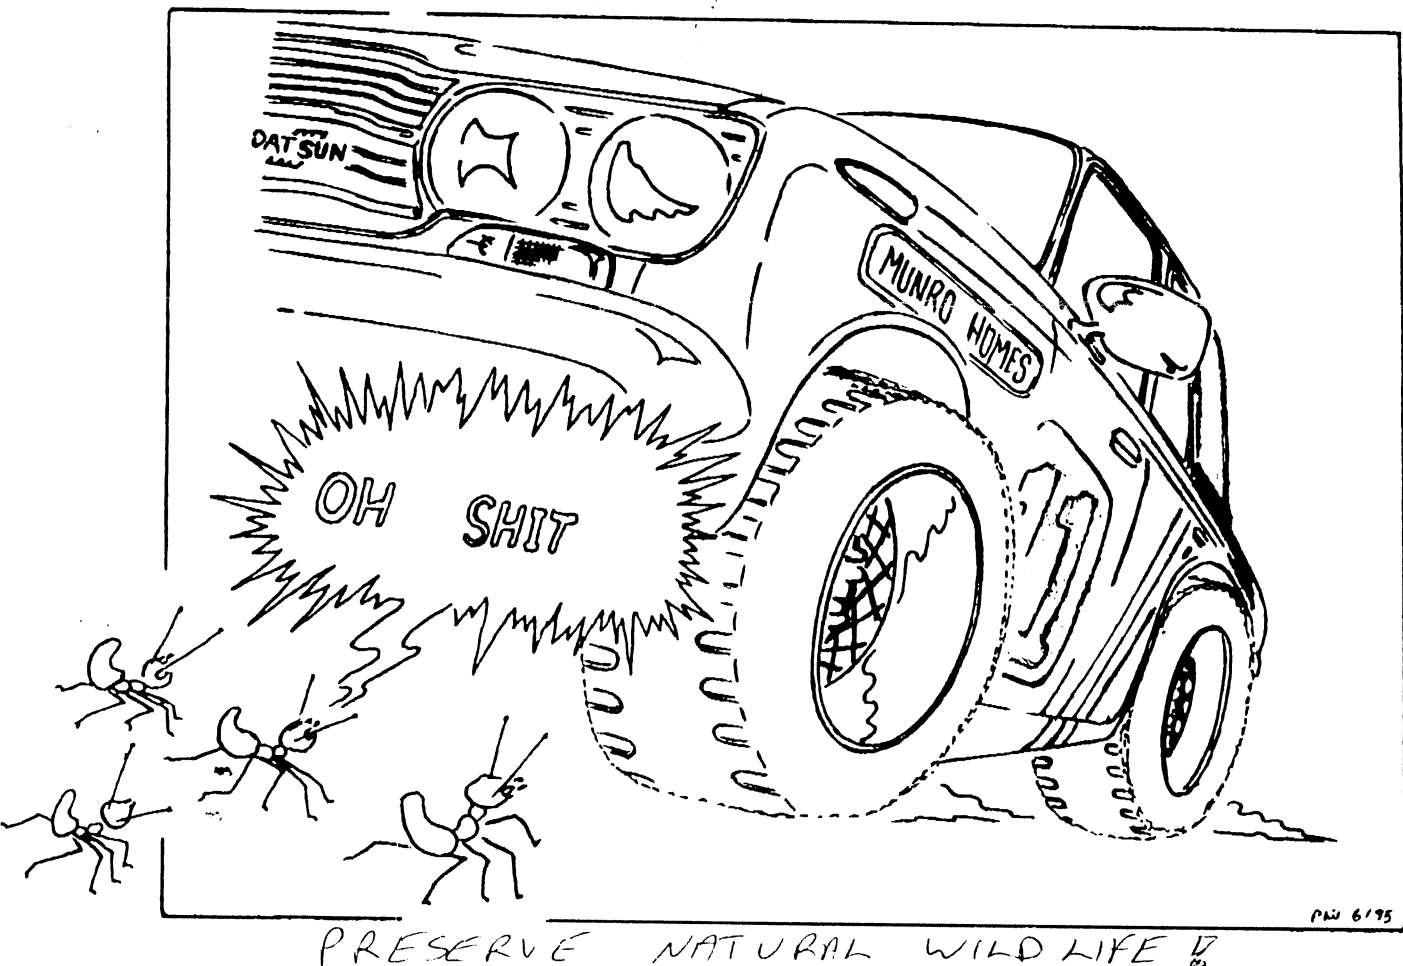

By the time you read this, the Australian Safari Rally will be all over. For those who went to Greenvale this past weekend to spectate the special stages there, many thanks must go to Phil Mason who has been working hard to keep Club Members informed about this event. It's a pity all three events (Mobil 1 & Cardwell) have been so close together.

The Whitsunday's Club has sent us a copy of their updated calendar, with the following events of interest:

- Dray Park Autocross, October 7 & 8. A must for all of our club members.
- Bitumen Motorkhana, November 12.
- Cathu Rally, November 25 & 26.

It is important that we try to help out with entrants in these events, as they do with ours. Four hours isn't such a long drive, and if you leave the night before, I'm sure a bed could be arranged for you on arrival - they are pretty keen with the hospitality down there. Besides, we have a reputation to keep; the rivalry *between* these clubs is as intense as that *within* each. Which means a great days competition.

A spot of humour and general interest courtesy of Phil Russell splashed through these pages. Hope you enjoy and many thanks Phil for the space filling pics. A timely reminder that if any member has anything they want printed (ads, articles, photos, drawings, etc) all they have to do is ring me, or drop it into Shawn's place.

GENERAL BUSINESS

Cardwell Rally

* We need Control Officials for the weekend. 12 for day sections, 10 for night. Collecting names of interested peoples - contact Greg if you can help.

- Scrutineering is to be held at Richard Kelly's Automotive, on Wednesday, 30 August. If you can't make it, you can get checked out on Sunday at the Cardwell Showgrounds, but make prior arrangements with Greg or Heckler.

- Kaylene Stone has offered to organise lunch & snacks during the Service Breaks on Sunday.

- Friday - BBQ with Ron & Robyn.

- Lindsay invoice to Fulcrum \$500.00 - Peter Krogh.

- Col Williams needs to be made a member - he is already an honorary member.

- Organise Showgrounds for weekend.

- Heckler suggested forming 2 groups to organise QRC Cardwell '96.

One to concentrate on Roads & Course

- to concentrate on Media coverage & Sponsorship.
- The QRC is *planned* for the May Day long weekend in June 1996.
- A Planning Committee has to be organised to set an agenda for things to be done for QRC.
 - * Rung Rockhampton about Gladstone - rally is same weekend as Cardwell.
 - 21st Lyn Perrin Memorial Rally in Rockhampton 29th October (to be confirmed).
 - QRC - Cardwell 1996. Will involve A to A timing.
 - Heckler attending Rally Advisory Panel meeting in near future.
 - Phil Mason has approached the Motorbike Club about using some of their grounds for our events - they will bring it up at their next meeting & inform us of the decision.
 - Phil has also been dealing with the Australian Safari people and club members have been invited to spectate in Greenvale the sections there.
 - * Barry Anderson has donated a car to the Club. It is unregistered & needs to be stored somewhere. Many thanks Barry.
 - The Club *really* needs to get a shed. Phil Mason has offered to ring around town to find a suitable shed. It was decided that it would not be an out-and-out expense each month, but must be a "User-pays" system. We need to know if members would be interested in storing their cars, etc in a shed, for a small fee.
 - Next meeting we must start to organise - timetable.
 - The Iron Man event is coming up sometime after Cardwell.
 - The search is on for the Club Banner. Possibility of being hidden away in the depths of the caravan.

Meeting was closed at 8.27 pm.
