MAGAZINE SUBMISSIONS:

Anyone wishing to submit Articles, Information, For Sales, etc. for the next magazine please call me or send the article. Closing deadline for magazine is the Thursday following meetings.

Ph & Fax; (07) 4725 2745(H) E-Mail: deblance@austarnet.com.au

I am open to suggestions for articles in the magazine eg. Tech Tips, News and Views, etc. so don't be shy. A club magazine is the lifeblood of a club; it informs members, sponsors (I hope you give the people that support you a copy) and keeps the interest up. So if you have something to say, say it in the magazine so ALL members get to know about it.

PRESIDENTS REPORT

Not available at time of printing.

EDITORS REPORT

Well, my poor old right arm is beginning to heal and yes I am having Physiotherapy! But driving the car, infact driving any car, is way off at present. So Tracey and Belinda, you will have to cope without me for a while yet!

Many thanks to Belinda and Lance for putting together the last newsletter, I really appreciate your help. Unfortunatly I can no longer use the colour photocopier, so, no more colour photos – but where are all the photos you all promised to send me???

The minutes of the last meeting and President's Report are not included in this issue as they were not available at the time of printing.

Happy racing!

Deb & Lance Melrose

SECRETARY'S REPORT

Due to Greg's work commitments and not realising that someone else had to read his handwriting (he does not have a computer) the minutes of the Club Meeting are not yet available. They will be printed "sometime".

MOUNT STUART HILLCLIMB

SUNDAY 20TH JUNE

WWhatt ann abbbbsollutely freeeeezing start to the day – I'm sure the wind was blowing at about 100kph taking the wind chill factor and ambient carpark temperature down to probably minus 10 degrees at least!! But we were all really keen to experience the new hot mix surface that the Townsville City Council had covered the old road surface with. It certainly looked better than it ever had before.

Seventeen entrants were all primed and ready to go with racing starting at 10am. Types of cars ranged from the Mighty Escorts, 323, Cordia, Celica, V8 Commodore, Datsun 1600, Datsun 1200 ute, Porsche, The Z, Suburu 4WD and many more – so the variety of cars was wide.

Racing ran smoothly over the whole day and most of the drivers had 7 runs up the hill which was really good for them. Unfortunately a couple of cars had a few mechanical problems – Neville's "The Pig" Celica somehow couldn't find the missing cylinder and wasn't running smoothly, so they (Glynn Morice was driving it also) didn't complete the day. But the sad story of the day was the fact that it cost Lance and Peter 83 cents per metre to complete their one whole run each up the mountain. We reckon that it had to be Peter's fault that the diff blew when Lance was just starting his second run. Peter must have done the damage and left it for Lance to discover! So no more runs for them! But the car is under repair as we speak. Thanks Neville for lending us the trailer.

Thanks must also go to Mick "The Firey" – without him it just wouldn't happen! All the other organisers were thanked on the day, but Mick, you left too fast – thanks again. All the drivers did say just how great the new surface was – so come on, support this event, tell your friends. The next Hillclimb is on Sunday 22nd August.

*See you round the track
