MAGAZINE SUBMISSIONS:

Anyone wishing to submit Articles, Information, For Sales, etc. for the next magazine please call me or send the article. Closing deadline for magazine is the Thursday following meetings.

Ph & Fax; (07) 47727292(H) E-Mail: rebeidog@aapt.net.au

I am open to suggestions for articles in the magazine eg. Tech Tips, News and Views, etc. so don't be shy. A club magazine is the lifeblood of a club; it informs members, sponsors (I hope you give the people that support you a copy) and keeps the interest up. So if you have something to say, say it in the magazine so ALL members get to know about it.

PRESIDENTS REPORT

The Grant cheque has arrived, so the photocopier, laptop, printer and new radios are all either on order or have actually arrived!! When Ron gets time he is going to organize the safety equipment as well. He has been working very hard with all these applications and their paperwork. He is also receiving quotes for the Development Plan for the Club – yet more paperwork! No doubt he will keep us all up to date. Thanks Ron – we do appreciate all your hard work for the Club.

EDITORS REPORT

Will you just look at that!!! I actually had a photo of a car that is definitely not a white Escort to put on the front of the newsletter!! Thanks to Bevan and modern technology the little white Datsun ute is now world famous!! Keep sending me photos and you know your luck might change and the newsletter might feature your car on cover!

SECRETARY'S REPORT

Come on Greg, another report would be great, if not a real shock!

MEDIA RELEASE

The long awaited news for the 2005 Mt Stuart Hillclimb Titles is that Key Motors have come on board as the naming rights sponsor for 2005.

To be known as the "**Key Motors King of the Mountain Hillclimb Titles**", the series will comprise four events this year.

The first three events will be the same format as previous years with the last event being a "day/night" event.

The dates for this year's events are:

- 1) Sunday 17th April
- 2) Sunday 19th June
- 3) Sunday 21st August
- 4) Saturday 1st October (1pm – 9pm)

Details of the sponsorship deal are still being negotiated, so watch this space for more details.

Last year the Townsville City Council upgraded the 1.2km course to "hotmix" and this year have already added another 1km of "hotmix" as well as driveways into the pit/parking areas. They have also filled and levelled the spectator area with plans to level and seal the pit /parking area.

Supplementary Regulations and Entry Form will be out soon so mark these dates in your diary.

Kiwi Corner

Some of these expressions are a bit strange and I'm sure they originally originated in Australia!

Just keep on practising!! Just think, one day you will all be multilingual!

Box of Fluffies – healthy and happy, as in “Howya going mate?” “Yep, box of fluffies, mate”.

Brewers Asthma – a hangover

Brewers Goitre – a beer gut

Bro – an affectionate abbreviation of brother, largely adopted by young Maoris
And used among their mates.

Cactus – trouble, as in “I’m in the cactus”.

Call Ralph – to vomit

Cardie – Shortened term for cardigan

Chilli Bin – sealable insulated box that keeps food and drink cold

Choice – exclamation of approval

Doodackie – an item that’s name can’t be thought of.

What Religion is your Bra?

A man walked into the ladies department of DJ’s and shyly walked up to the woman behind the counter and said, “I’d like to buy a bra for my wife”.

What type of bra?” asked the saleslady

“Type ?” inquires the man, “There’s more than one type?”.

“Look around” says the sales lady, as she showed a sea of bras in every shape, size, colour and material imaginable.

“Actually, even with all this variety, there are really only four types of bras to chose from”

Relieved, the man asked about the types. The saleslady replied:

“There are the Catholic, the Salvation Army, the Presbyterian and the Baptist types. Which one do you prefer?”

Now totally befuddled, the man asked about the difference between them.

The saleslady responded, “It’s all really quite simple...”

The Catholic type supports the masses

The Salvation Army type lifts the fallen.

The Presbyterian type keeps them staunch and upright, and the Baptist type makes mountains out of molehills.

Have you ever wondered why A, B, C, D, DD, E, F, G, and H are the letters used to define bra sizes?

A – Almost boobs

B – Barely there

C – Can’t complain

D – Dang

DD – Double dang

E – Enormous

F – Fake

G – Get a reduction

H – Help me, I’ve fallen and I can’t get up!

* Club Meetings are held (second Monday night of the month at the Townsville Drag Club Yarrowee St Currajong at 7.00pm). All welcome, and why not bring along a friend or sponsor.

A woman was helping her husband set up his computer, and at the appropriate point in the process, told him that he would now have to enter a password... something he will use to log on. The husband was in a rather amorous mood and figured he would try for the shock effect to bring this to his wife's attention. So, when the computer asked him to enter his password, he made it plainly obvious to his wife that he was keying in P..E..N..I..S.

*His wife fell off her chair laughing when the computer replied
PASSWORD REJECTED. NOT LONG ENOUGH*

The Club Meeting night is now the 2ND MONDAY OF EACH MONTH, at the Drag Racing Club Rooms in Yarrowee Street, Currajong.

If the meeting night falls on a Public Holiday, the meeting will be on the Tuesday night instead.

Pig in Bullbar

A Northern Territory farm hand radios back to the farm manager: "Boss, I got a helluva problem here. I hit a pig with the ute. The pig's okay, but he is stuck in the bullbar on the front of my ute and is wriggling and squealing so much I can't get him out".

The manager says: "Okay, there's a 303 behind the seat. Take it, shoot the pig in the head and you will be able to remove him."

Five minutes later the farm hand calls back: "I did what you said, Boss. Took the 303, shot the pig in the head and removed him from the bulbar. No problem there, but I still can't go on."

"Now what's the f-----g problem?" raged the manager.

"Well Boss, it's his motorbike. The flashing blue light is stuck under the right wheel arch".
