EDITOR –

I would like to wish Ian Oglvie a speedy recovery after his little off in Rocky.

I can't wait for the club house to become officially ours, this will mean working bees, but also a place to hold our social events and regular club meetings.

There are lots of events coming up, if you are not able to race, come out and official, so I am sure I will see u around.

Kirknie: QRC part of Kirknie has been cancelled due to the track being too rough for the cars, what is there if you run the track as a club we might not even finish it, as we had two cars get bogged. The river is still flowing fast now; the other creeks have about a foot of water in them. Some bits have been graded. It's as rough as the other Kirknies we have run. There's not a lot we can do about the creek crossing. Would still like to do the club side of things as we need something for the year. Grass will need to be cut at the plum tree yards. We need to decide if we go ahead with it or can it. All we can do is warn the competitors it's going to be rough before we start. This week we need to do a ring around to see who is going to come so we know numbers. The book has been completed, Barry has done a course check for us all but one round, stump has done them up and goof is going to organise another course check. Will need at least 15 cars to run to cover costs.

- Officials will be need for the hillclimb we need at least 5, only got 3 definite at the moment.
- Club house wise, the legal department is still writing the lease for us, we took over as of the 1st of July.
- We are submitting a letter to council to see if we can use the bitumen carpark behind office works for motorkhanas
- We have nominated to do a time keeping course here in Townsville to get everyone licensed to do events.
- If we do October hillclimb we will need more officials mainly because some drivers wont slow down where they should. Going to try and get supp regs soon to extend the track.
- Going to see if we can do a level 2 rally sprint later on in the year at the Quarry out at Charters Towers.
- Deb expressed disappointment that there was no Townsville people at the NQ Khanacross series on the weekend.
- Looking at starting an NQ Rally series, between Rockhampton, Townsville and Cairns

PRESIDENT'S DRIBBLE

Well here we are for another month. As you are all aware we had to drop our round of the QRC as the roads were deemed not to be up to the standards required by QRC competitors, it is unfortunate but we will just have to wait until we can get back into either Ingham or Cardwell. But saying that Kirknie is going ahead as a multi club rally on august 13th . So all those people with rally cars please consider competing.

We are staging another kanacross on the 30th and 31st July if you missed the last one come out and have some fun on the dirt, I can assure you it will be fun.

Clubhouse is still in limbo, officially we took over possession on the 1st of July but the councils legal branch as still not got the lease agreement papers worked out yet so until we sight them and sign them we are doing nothing with the clubhouse. Once the paper work is signed all members will be notified.

Club shirts are ready to be ordered, they have to be ordered in batches of 20,so as soon as I get 20 orders, the order will be put in. There is a polo shirt and a long sleeve cotton shirt that can be used for racing. There will be photos sent out to all members shortly along with the prices for to look at.

There is also three rounds of the NORTH QUEENSLAND KANACROSS SERIES left one in Mossman, Townsville and one at Station Retreat outside Mackay. Please consider supporting these rounds. I know we have a bit on ourselves it would be nice to see some of the Townsville cars at these events. The event at Station retreat should be a good one.

As always if anybody wants to discuss anything with me feel free.

Just finishing we have a round of the hill climb series on this week-end it looks like we may be sort of officials so if you are not doing anything why not come out and help out. Lunch is provided to all officials.

Jokes of the month

A man was just waking up from anesthesia after surgery, and his wife was sitting by his side. His eyes fluttered open and he said, "You are beautiful." Then he fell asleep again. His wife had never heard him say that, so she stayed by his side. A few minutes later, his eyes fluttered open and he said, "You are cute!" The wife was disappointed because instead of "beautiful," it was now "cute." She said, "What happened to 'beautiful'?" Her husband replied, "The drugs are wearing off!"

A new teacher was trying to make use of her psychology courses.

She started her class by saying, "Everyone who thinks you're stupid, stand up!"

After a few seconds, Little Johnny stood up.

The teacher said, "Do you think you're stupid, Little Johnny?"

"No, ma'am, but I hate to see you standing there all by yourself!"
