### Editor Dribble

Sorry for taking so long to put another magazine together but I have been organising club events as well as stewarding at various events. So my time has been very limited. The club recently conducted our round of the NQ Khanacross series with 25 competitors entered for the weekend. We managed to get 22 runs in for the weekend. Very tiring for us old people.

For those who don't know - I am doing Cardwell Rally. I need 24 control and spectator control officials. If you can help or know of anybody who can help, please let me know otherwise I will be forced to cancel the event. Planning is well underway for our round of the QRC we are still hoping to have it at Ingham. We are waiting to see if the problem has been solved if not we will have the rally in Cardwell. Our social director is planning a bare foot bowls night. These are a ton of fun. It can get quite messy if you have a drink after each end so I'm told.

### Presidents Report

As you know we are having our 2 rallies in Cardwell this year. We had dramas with the lease holder in Ingham which has put a stop to my rally. Heckler is conducting his event on the 24th August and he needs help. We want to use this event as training for the QRC in October. If we don't get enough control officials for Heckler's event he has told me the event will be off and I will look seriously at doing the same with the QRC. So if you can, please support these two events.

The clubhouse is on hold at present as the council doesn't know where our water meter is located and we can't do any work or have meeting until we have running water. We have our water truck here now. Thanks to Tidy Towing for bringing it back for the club. That's all for now. Hope to see you in Cardwell

## Whitsundays Khanacross

John Sutton, Stephen and I competed in the first round of the NQ Khanacross series and the CQ series as well at Tonka Park. There was a good field of competitors with Gordon Fischer and Danny Benson from Rocky. As usual Gordon and Stephen were setting the pace with the rest of us trying to keep up. I was driving in what I call my comfort zone which according to my son and Sneaky (Sam Woodger) I was driving like Miss Daisy getting my petticoat caught in the accelerator. After copping a fair bit of a ribbing I thought I will show these young blokes how it's really done. Only problem being, one forgot the water truck had been heavily used in the finish garage and despite the Evo having 4 wheel disc brakes you need to stop in the garage not outside it and take out half poles in the garage as well. Last time I will listen to these young fellas. With a 30 sec time penalty I went from third to way down the order. John Sutton was having his usual battle with Taz in his Ford/Mazda. When we finished racing Saturday, the ice cold beers were just hitting the spot when a squadron of mozzies invaded bringing an end to what might have been a messy night for me.

Sunday was all about making time from my indiscretion the previous day. Stephen and Gordon Fischer were very close and it would come down to the fact that neither one could afford to make a mistake. But as usual Stepho does what he does best trying too hard and hit a tyre. Then the next run he blitzed the field to take back the lead. On the last run of the day he hit a tyre handing the lead back to Gordon by 1.5 seconds. John won his class. I made some time. We had a good time and enjoyed ourselves and will be back next year with the new car.

SERIES TWO REPORT FROM TALBOT PARK WILL BE IN THE NEXT WHEELSPIN.

Club Meeting  
Thuringowa Drive Kirwan  
11 June 2013

Open: 7.40 pm

**Attendance:** Ken Long, Lurna Love, Bruce McCarthy, Geoff Nicol, Paul Southey, Emma Nicol, Greg Wright,  
Greg Van Dinter, Marc Fisher, Pete Trezona, Randall Webster

**Secretary:**

- Minutes from last meeting read.

**Treasurer:**

- Handed out report

**Club Captain**

- Membership points handed out by Stumpy.

**Editor:**

- Wheelspin is out. Murray turned up with some trophies and a printer from the club.

**Social:**

- Need a date to book lawn bowls sometime after Ingham - 13 or 14 of July

**General:**

- TALBOT PARK: Paul: Alex bought a tractor yesterday with a grader and slasher attachment - that will be enough to maintain the track. Some new tracks have been done up. Do we need to cut in a new track for the Khanacross series? Yes as we are expecting 17 or 18 from the series plus the locals.
- INGHAM RALLY: Wrightie: Big issue with the Pub at Ingham at last year's rally. People brought their own beer to the pub and were drinking it in the bar. The owners are willing to let us use the pub with set rules.
- If you are camping up there on Friday night can you please advise us so we can inform the pub owners. Pub is doing lunch and dinner specials. These will be posted out in competitive information.
- Wrightie: Working bee this Saturday up at Ingham this weekend, to mow grass, cut trees and fill in pot holes.
- Goof: Entries close Friday so we need to look at things on Friday and see if we are still running it. We still are looking for officials
- QRC: Wrightie: Stage will be started from the Show Grounds in Ingham not the pub.
- First round has 55 cars. 27 are registered competitors for the QRC.
- WOODSTOCK MOTORCYCLE TRACK Nikki's having talks with the motorcycle track out at Woodstock. They are going to take it to the meeting and maybe put things in place for us to be able to use the track.
- CAR SHOW Heckler: On the 30<sup>th</sup> of this month they are doing a car show down the Strand and we have been given a spot for five cars. We will need to get someone to sit with the cars and pass out flyers.
- CAMS Wrightie: The Silver module is being revamped as it is missing rallies and off roading.

Closed 9.00pm

Club Meeting  
Thuringowa Drive Kirwan  
15 July 2013

Open: 7.35pm

**Attendance:** Greg Wright, Kay Nicol, Geoff Nicol, Pete Trezona, Greg Van Dinter, Bruce McCarthy, Greg Graham, Ken Long, Laurna Love, Emma Nicol, Kerry Cobbing, Aiden Kayrooz

**Apologies:**

**Secretary:**

- Minutes from last meeting read

**Treasurer:**

- Passed out report and a copy of the club points.

**Club Captain:**

- Kay thanked Stumpy for all the hard work he does keeping track of the points

**President:**

- Decamag: they sent an email out for approval for a feasibility study through Milford Planning. On behalf of the club I have said yes. There will be an onsite meeting before the study is done and we need to let them know how much land we would like. Discussion held. We have not heard from Charters Towers at this stage.
- Death at Irock over the weekend - have posted sympathies on the Facebook.
- Bruce doesn't need to do the Ironman in August as the date has been taken for the Cardwell Rally August 24
- QRC Ingham Rally is hitting a hiccup. We now have to go through Council for use of the Showgrounds, if that falls over we will be using Cardwell
- QRC will not go ahead unless we get SES support in Cardwell as we need officials and at this stage we don't have them. October long weekend.
- Clubhouse water meter: issues with Water and now have involved the Councillor
- Funding: I went to a meeting about getting funding. We need to have 20% of the money and it can be in kind. Next month we can apply for it and hoping to get the clubhouse up and running.
- 

**General:**

- Khanacross: this weekend. Kay: We need to provide meals for the series competitors. We need someone to cook Saturday night tea and Sunday morning breakfast. Thanks Stumpy and Bruce. It was voted that sandwiches to be made for lunch.
- Heckler: Darren from next door at Talbot Park has done a wonderful job slashing and cleaning up the track. We have cut new roads in ready for the weekend. We just need officials as we are running two tracks to keep it going and hopefully have no hold ups.
- Cardwell Heckler: Cardwell is looking good. They have graded the roads. Since we got screwed around with Ingham forestry is providing a free grader. Some tracks have been changed and you will need to follow instructions. Start will change to the Forestry Station this year.
- Hillclimb: Kerry: Next weekend we need officials for event to run.
- Kerry: need to look at replacing the eskys.

Closed 8:40pm
