Editor's Report

Here is the end of the month Wheelspin. I wanted to get this out before Cardwell.

We have lots of results with a story. Check out the one about Johnny Sutton. Congratulations! Considering you weren't going to race. And to Wade who came third in his class—where's your photo?

Wade also won Iron man Weekend. Congratulations.

It looks like there will be 15 cars for Cardwell.

Thanks to Wade for taking on director with all his family helping him out.

There is a Khanacross and a Motorkhana planned for October. We need directors for these events. If you did the club chief course (you should have your certificates now), here is an opportunity to direct an event. (you can still compete) Give Greg Wright a call.

Hope to see you at Cardwell.

CONGRATULATIONS JOHN SUTTON (Sutto) Peak Downs Mechanical

I don't know how many of you know that our very own John Sutton (Sutto), is involved in car racing.

John has been involved for quite a few years now and races in many events.

On the 17th & 18th of September the Whitsunday Motor Sporting Car Club hosted the Cams Abell Point Marina Australian Khanacross Championship.

Warren, one of the organisers of the event pleaded with John to enter. He wasn't keen as his LJ Torana was not set up to race on bitumen.

The event was held on bitumen on the Saturday around the Go-Kart track and on Sunday the dirt races were to be held on the tracks next door.

After much pleading from Warren, John agreed to race.

On the Saturday John struggled with getting his car around the bitumen circuit, but come the Sunday on the dirt, things were very different..

John had a clean fast race day with no penalties for hitting cones/bollards etc.

As a result of his clean run John won in his class and became
AUSTRALIAN KHANACROSS CHAMPION CLASS E—Over 3LT Engine Capacity.

CONGRATULATIONS John

Good Luck with future racing events.

For those of us that don't know a lot about the various forms of car racing I found this description on Khanacross racing. For further information on the event that John raced in follow the link.

A Khanacross is a competition conducted on unsealed surfaces, bitumen or a combination of both and involving a series of timed tests of various layouts. Each test shall be designed to test the acceleration, braking and general manoeuvrability of the vehicle and the skill and judgement of the driver.
