SATURDAY 20 JUNE 2020

While organising this event, I got a phone call from Motorsport Australia to inform us we were the first 'car' event in Queensland since lockdown. So we had to make sure we crossed all the t's and dotted all the l's with COVID measures in place. (What a pain to do those). So that's why there was limited footage/photos on Facebook etc. Some photos were sent to Motorsport for an article on their website.

SATURDAY: 2 tracks were used forwards and reverse to complete the day with 10 runs. As you can see, Brett took first place with Sam and John not far behind.

It was debut racing for Max and Zac Gough.

We went for dinner in town that night.

SUNDAY

All ready to go.

John suggested side by side racing. So tracks were adapted . What a change in pace when you have someone racing close by. All enjoyed the racing.

I know Sam, Pete and Lachlan were disappointed as they weren't competing. WATCH OUT next Khanacross.

Run 9, last run for the day, was track one as the second track was breaking up.

Peter V and Phil had car problems and couldn't finish the day.

Brett won the weekend, with John and Ty coming second and third.

Thanks to those for time keeping and all those who helped set up and pull down.

Ash conducted a great event for us. I haven't driven the Mazda since March and not having the same horsepower as the Proton I had fun trying to keep up with the others in the Motorkhana and managed to finish the day 2nd outright. For the novelty event this year we were given three darts each to throw at a dart board and your score was deducted in seconds off your total time for the day.

Sorry Matt hitting the shipping container didn't count.

Sunday was the Khanacross. Matthew had the Mitsubihi on the rev limiter for most of his runs. The sum of us had old-timers disease and couldn't remember which way to go. Jenna and Hayden brought out there newly acquired Subaru and were coming to grips with the new car quickly. Hudson managed to beach the Falcon when he over shot a corner. He did very well in his first ever event. I managed to finish third outright and I had a great weekend. A big thank you to Ash for a great weekend of racing Kay and Sandy for time keeping and scoring. Special thanks to Paul and Peggy from NQMS for doing the catering.

Congratulations to Ty for winning the Ironman title and Jenna the Aluminium Lady again.
