Laurna's monthly update: April

Hi all

March was a busy month. For those of you who don't know me I have been in the club for a few years and prior to that attended events since the early 2000's. I competed in events in New Zealand since the 80' at all levels in Rallies, Rally Sprints, Kkhanacross, Motorkhanas, Hhillclimbs, Sprints, and Trials. I was President of my Car Club in NZ for two years and on the Board of Directors of the Race Circuit. Prior to that several years on the committee so I bring experience to my new role here.

In Townsville I have competed in Hillclimbs, Motorkhanas, Khanacorsses and Sprints. Now I am turning my interest to organizing and supporting the club. I am available to any of you at any time by phone or in person. Just contact me.

Now on to recent events! We had the AGM on the 12<sup>th</sup> March and have a full committee. Thanks to all who served last year and to all of you who are serving this year (Mostly the same faces).

Then Stuart "King of the Mountain" Hillclimb was on the 28<sup>th</sup> March. It was a lovely autumn day although still hot. There were 26 competitors from all over. A big thank you to Kerry and all the officials. You do a great job! Just a note to all members – if you can source more people willing to be officials at events we would really appreciate it as we struggle to get enough some months.

#### **REMIINDERS**

**Event Forms** - I have been asked by event directors to remind you all of the importance of filling out all event dl forms and providing the CTP on the day where required.

**Covid requirements** - Remember that you, anyone with you and all spectators must sign the Covid forms at events. This is essential to ensure we can continue to run events.

**Club Memberships** are due now. You can pay them on the day of an event if you don't get a chance before or contact Stumpy.

Have a great month- Laurna
